WELCOME TO SCOIL MHUIRE

Dear Parents,

In Scoil Mhuire, we (the teaching staff and non-teaching staff) work towards creating a calm atmosphere where your children are happy and can enjoy learning.

We want to work respectfully and as equals with you, the parents, because you know more than anyone about your child. We also know that your child is the most loved and precious person to you in the world.
It will help all of us in working with your child if we have a calm, respectful, equal relationship. The education and welfare of your child has to the main priority of all of us.

We always try to create a warm, caring, inclusive atmosphere where children feel valued and where they can feel good about themselves and live and grow as children with deeply held religious values and beliefs.
We work as a school community, supporting one another in providing quality care and teaching.

All children are treated as equals irrespective of their ability, religion, colour or any aspect of their lives or families.

The staff help the children to grow in knowledge from their first uncertain steps in Junior Infants to their move to second-level, with confidence, from 6th class.

Within a structure of clearly defined rules,deeply held beliefs and values we ensure that good work and good behaviour are constantly rewarded.

We look forward to welcoming you and your child in to the Scoil Mhuire community.

Mr. Brian Coleman
Principal
